## California Land Disposal Restriction Notice and Certification

Generator Name Douglas Aircraft Co	Manifest Number 89479284
alifornia Hazardous Waste Code(s) 74/	CWM Profile Number F-289/C

This form is submitted to Chemical Waste Management, Inc. in accordance with the requirements of CCR Title 22. Chapter 30, Article 40 which restricts the land disposal of certain hazardous wastes. I have marked the appropriate box (boxes A. through D.) below to indicate how my waste must be managed to conform to the land disposal restrictions. A copy of all applicable treatment standards and waste analysis data, where available, is maintained at the Chemical Waste Management facility identified on the manifest referenced above. If the waste is not a RCRA regulated hazardous waste, I have also entered the appropriate California Waste Code and checked the appropriate box in the table below to indicate the applicable non-RCRA hazardous waste listing from 22 CCR Section 67702.

Line Item	Check Here	Restricted Waste Description	Reference CCR Title 22
1		Metal-containing aqueous waste that contains any of the metals or metal compounds identified in 22 CCR 66699(b).	677UZ(b)(1)
2		Wastes containing polychlorinated biphenyls (PCBe).	6 <b>77</b> 02(b)(2)
3		[reserved]	
4		(reserved)	
5		(teserved)	
6		(reserved)	
7		Metal-containing solid waste that contains any of the metals or metal compounds identified in 22 CCR 66699(b).	67792(b)(1)
8		[reserved]	
9		[reserved]	
10		Aqueous and liquid organic wastes that contain any organic compound measured by EPA Test Methods 8080, 8140, 8150, 8240, and 8270 described in Test Methods for Evaluating Solid Wastes, Physical/Chemical Methods, SW-846, Third Edition.	67702(b)(10)
11		Solid hazardous wantes that contain any organic compound measured by EPA Test Methods 8080, 8140, 8150, 8240, and 8270 described in Test Methods for Evaluating Solid Wastes, Physical/Chemical Methods, SW-846, Third Edition.	67702(b)(11

	Zomon.
XĮ	A. RESTRICTED WASTE REQUIRES TREATMENT  I am the generator of the waste identified above which must be treated to meet the applicable treatment standards set forth in CCR Title 22, Chapter 30, Article 41 prior to land disposal.
	B.1 RESTRICTED WASTE TREATED TO PERFORMANCE STANDARDS "I certify under penalty of law that I have personally examined and am familiar with the treatment technology and operation of the treatment process used to support this certification and that, based upon my inquery of those individuals immediately responsible for obtaining this information, I believe that the treatment process has bee operated and maintained property so as in comply with the performance levels specified in CCR Tale 22. Chapter 30, Article 41 without dilution of the prohibited waste. I am aware that there are significant penalties for submitting a false certification, including the possibility of a fine and imprisonment."
	C. RESTRICTED WASTE SUBJECT TO A VARIANCE The waste identified above is subject to a expecity variance which expires on
	D. RESTRICTED WASTE CAN BE LAND DISPOSED WITHOUT FURTHER TREATMENT "I certify under penalty of law that I have personally examined and am familiar with the waste through analysis and testing or through knowledge of the waste to support this certification that the waste complies with the treatment standards specified in CCR Title 22, Chapter 30, Article 41 without dilution of the prohibited waste. I am aware that there are significant penalties for submitting a false certification, including the possibility of a fine and

I bereby certify that all information submitted in this and all associated documents is complete and accurate to the best of my knowledge and information.
